

Annual Report

2023 - 2024

THOMAS
HOSPITAL

Foundation

We are thrilled to present the Thomas Hospital Foundation's Annual Report for Fiscal Year 2024 (April 1, 2023 - March 31, 2024).

In the following pages, you will discover both compelling data and inspiring stories that illustrate how your generosity has positively impacted our patients, their families, our dedicated employees, and the hospital as a whole.

Thank you for being a vital part of our community and for continuing to inspire hope and healing.

Your unwavering support not only contributes to a successful year of fundraising but, more importantly, transforms healthcare on the Eastern Shore for the better. Together, we are making a profound difference, and we are deeply grateful for your commitment to our mission.

Nathan Payne
Director, Thomas Hospital Foundation

Ormand Thompson
President, Thomas Hospital

In July 2023, the Thomas Hospital Foundation celebrated its 30th Anniversary of supporting the community's hospital.

Since its founding in 2002, the **Rleigh & Raylee Angel Ride Foundation** has served families of Baldwin County whose children need critical medical care but may not have the financial resources available to cover all their needs. Using a \$100,000 grant from the Angel Ride Foundation, the Foundation will establish a program that can provide financial assistance to Baldwin County families with pediatric patients in need.

The **Joseph Treadwell Charitable Foundation** committed \$211,000 to the Foundation to enhance the patient experience by installing electronic patient status boards in most patient rooms. Patients can view real-time procedure schedules, care team details, physician updates, care plans, and access MyIHChart directly.

IMPACT

The Kendrick Planned Giving Society recognizes those who have included the Thomas Hospital Foundation in their estate plans.

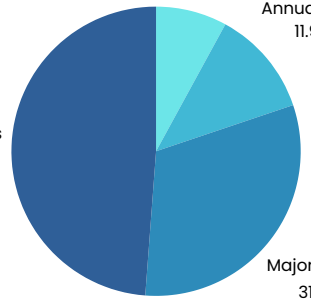

This year the Foundation received \$98,000 in estate gifts.

TRANSFORM

The Foundation's Employee Assistance Grant Program awarded more than \$35,000 in assistance to employees facing a financial hardship.

The Employee Assistance Fund is supported by Thomas Hospital employees through their contributions to the Anchor Society, our employee donor organization.

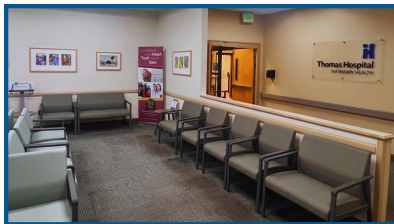

Prior to being awarded the grant, an employee's application is reviewed anonymously by a committee of employees.

September 21, 2023

To meet the ever-increasing demand for cardiac care in the region, Thomas Hospital renovated and expanded its Cath Lab. Already the leader in open-heart procedures in the area, this expansion will ensure patients continue to receive high-quality and timely care when every moment counts.

The Foundation Board made a nearly \$1,000,000 commitment to this project.

After several years of pandemic-related cleaning regimens, the Thomas Hospital Surgery Waiting room was ready for a refurbishment. In partnership with hospital administration, the Foundation funded the updates, helping make the patient and family experience pleasant for years to come.
